

Jefferson Soil & Water Conservation District Scholarship

210 South 5th West, Rigby, I D 83442, 208 754-6664 ext. 4

For the 2026 graduating class from Jefferson County Idaho High Schools, the Jefferson Soil and Water Conservation District will fund **\$1,000.00** scholarships. Criteria for selection is based on students pursuing study in an agriculture or natural resources related fields or a technical school in trade and industry.

Recipients will be selected by JSWCD Board Supervisors at a board meeting. **The application deadline is February 12, 2026.** A check from the Conservation District office will be given to each selected student after the student registers for the second semester of study at the school of their choice. The student will provide a transcript for the first semester and proof of registration for a second semester. The scholarship will expire three years from the date of high school graduation.
